CATHOLICS AND PRESBYTERIANS BUILDING TOGETHER

What This House Means to Us

Well we are very blessed and thankful to our Lord Jesus Christ. Our dream was to have our own house one day. We never thought it would be this fast. We are very, very, thankful for all of the people who took the time out of their time to make this dream come true for our family.

We are grateful for Habitat for Humanity and all they do

to help families. Also to Catch the Building Spirit builders for their time and all the loving people that helped make this happen. We are super blessed to have met so many wonderful people. We thank each and every one that helped out. And again thank you Jesus.

The Enriquez Family ♥

About the Family

Jose and Erica have four active children ages 5 to 17. Jose, the oldest, plays football and gets good grades. Alexis plays the Baritone in the school band and has done so for more than nine months. Yesenia lights up the room with her winning smile as she talks about how she loves to play with her dolls and how she is such a good student in school. Daniel, the youngest, a very energetic 5 year old, devotes his time to basketball, playing with his friends, and of course, excelling in school. The family of six, after living in such a cramped small apartment and suffering the ill effects of those crowded

spaces on their family, believes their prayers are being answered.

Jose works as a concrete finisher and has been with the same company for the past seven years. Erica works part-time occasionally but wants to make sure her children get all the care and attention they need. Erica says that her experience working toward her sweat equity was very educational. She says, "I never knew how to hold a hammer correctly and now I have helped to frame a house. I feel so strong and smart." Now both Jose and Erica are confident that they can conduct many home repairs on their own.

21 Years of Building Houses and It Is All Because of You, Our Donors and Volunteers! We Couldn't Have Done It Without You! Thank You!

For more information about Catch the Building Spirit or to make a contribution or volunteer your time, please call the Catholic Social Action Office at 224-3026 or the Presbyterian House Build at Dayton Habitat for Humanity at 586-0860.

Last founding member retires from board

The Catch the Building board would like to send a sincere thank you to Bea Delph. Bea retired from the board at the end of our past fiscal year (September). She was the last founding member to retire from the board and we thank her and all of the founders for their vision and tenacity for starting what has become a very successful and visible social action involvement. She was very active as the editor of the newsletter and was the tent leader who arranged for all of that delicious food for the blitz week workers. I don't think that a simple "Thank You" is enough, but Thank You very much. She will be missed. We wish her well.
